Stop what you do cause we are the robots
Oh oh oh oh oh oh
Stuck in a world that tries to control us
Oh oh oh oh oh oh

You, you are the static in my dreams
Secure of electricity
Like a loop, that's always o-o-on repeat
I, got a revolution in my soul
Like Che Guevara on a roll
C'est la vie we gotta go-oh-oh-oh

Stop what you do cause we are the robots
Oh oh oh oh oh oh
Stuck in a world that tries to control us
Oh oh oh oh oh oh

Robots robots
Oh oh oh oh
Robots robots
Oh oh oh oh

You, won't make an android out of me
I feel the rhythm in my feet
The fist and pounding of the beat
Oh, I see the wire in your veins
That's (?) all your pain
So many things we can't explain

Stop what you do cause we are the robots
Oh oh oh oh oh oh
Stuck in a world that tries to control us
Oh oh oh oh oh oh

My heart, my heart is still beating
They won't, they won't stop me breathing

Robots dance dance dance
Dance your robots dance
Robots dance dance dance
Dance your robots dance

Stop what you do cause we are the robots
Oh oh oh oh oh oh
Stuck in a world that tries to control us
Oh oh oh oh oh oh

Stop what you do cause we are the robots
Oh oh oh oh oh oh
Stuck in a world that tries to control us
Oh oh oh oh oh oh

They won't stop me breathing
