I got this feeling I can't explain
You got me going out of my mind
I got this feeling I can't explain
Boy, you got me spinning around
Just wanna feel you closer, let me know
Do you feel the way I'm feeling for you?
Can you hear my heart beat, just for you?
That's the way that it's supposed to be
Can't you see, can't you see, can't you see?
You got me spinning round and around
Spinning around, spinning around
