Verse 1

Undo this chain, you say I'm tied
I am far from these memories I kept inside
Our emotions are gone - we were falling apart
Before these shadows stole the beat of my heart

Refrain

After all we have been through
I can only look at you
Through the eyes you've lied to
Through the eyes you've cried

Verse 2

Silence and quiet, again in my life
Far from these moments, I kept inside

No passion and truth and
We were living apart
Before these shadows stole the beat of my heart
