[Verse 1]:

Just take a look around you  
You and I have found truth  
La luz hoy brillara  
De una forma especial  
So tell me do you long to

Taste my fire

[Chorus]:

I'm coming up sun  
I'll never be done  
Yes, tonight we ride  
No digas que no  
A solas tu y yo  
Y todo ardera

[Verse 2]:

So take a look beside you  
My love is on the road to  
Lugar para escapar  
Sin nada que ocultar  
So tell me do you long to

Taste all me fire

[Chorus]:

I'm coming up sun  
I'll never be done  
Yes, tonight we ride  
No digas que no  
A solas tu y yo  
Y todo ardera

[Chorus]:

I'm coming up sun  
I'll never be done  
Yes, tonight we ride  
No digas que no  
A solas tu y yo  
Y todo ardera

Do you feel serenity?  
Tell me do you feel me floating near?

Taste my fire

[Chorus]:  
I'm coming up sun  
I'll never be done  
Yes, tonight we ride  
No digas que no  
A solas tu y yo  
Y todo ardera

[Chorus]:  
I'm coming up sun  
I'll never be done  
Yes, tonight we ride  
No digas que no  
A solas tu y yo  
Y todo ardera

I'm coming up sun  
I'll never be done  
Yes, tonight we ride
