Top down tryin' to tease me down a one-way avenue  
This girl ain't so easy, guess you can enjoy the view  
Think you got the power but it don't mean anythin'  
In the midnight hour boy, if you can't do your thing,

You gotta walk to the beat  
Or I might step on you baby  
Walk to the beat  
Till I turn it around  
Talk with your feet  
Or I might step on you baby  
Walk to the beat  
Till we turn it around

Sunsets ought to please me but they leave me cold as  
ice  
If you're trying to reach me, then you gotta roll the dice  
And the cards you're holding, no they don't mean  
anything  
When the rhythm's calling boy, will you be answering

You gotta walk to the beat  
Or I might step on you baby  
Walk to the beat  
Till I turn it around  
Talk with your feet  
Or I might step on you baby  
Walk to the beat  
Till we turn it around  
[x2]

Talkin' is cheap boy, I don't need no decoy  
Talkin' is cheap boy, I don't need no decoy

You gotta walk to the beat  
Or I might step on you baby  
Walk to the beat  
Till I turn it around  
Talk with your feet  
Or I might step on you baby  
Walk to the beat

Till we turn it around  
[x2]
