You're a mystery to me  
Got me blind so I can't see  
Where I stand  
I'm in your hands

Who do you love  
Is it me or just yourself  
Who do you love oh  
Do you need anyone else  
'Cause I've tried and tried  
To read your mind  
Who do you love  
Who do you love  
I want to know

Oh you make me twist and turn  
But you don't care how much I burn  
My world falls down  
When you're around

Who do you love  
Is it me or just yourself  
Who do you love oh  
Do you need anyone else  
'Cause I've tried and tried  
To read your mind  
Who do you love  
Who do you love  
I want to know

We should be together  
(Je veux ˆtre avec toi)  
Bud you're taking me apart  
(Je ne sais pas pourquoi)  
I want to be yours forever

(C'est la vÃ©rite)  
But you're making it too hard

Who do you love  
Is it me or just yourself  
Who do you love oh  
Do you need anyone else  
'Cause I've tried and tried  
To read your mind  
Who do you love  
Who do you love  
I want to know
