Maybe you can catch my next show  
Whether its East or West coast  
I show love all through the bay  
Frisco, the O, San Jose  
In LA, we off to the Beverly  
Hennessy on ice, at the Embassy, Suites  
San Lu', Santa Barbara, all in, San Diego with the  
Chargers  
We goin farther, touchin down  
Homies run rappin, rush around  
We hit Denmark, Copenhagen  
Couldn't wait to get back to the golden gate  
To, Santa Cruz to rock at the Catalyst  
To Princeland, off in Minneapolis  
All through Oregon, parkin lot pimpin  
Left Portland like Scottie Pippen

(San Quinn)

Said I slide out of Frisco to Kansas City  
Missouri and Kansas the girls is scandalous  
Shit is hot in Little Rock, Arkansas  
I said the all get in, and the shit they talk  
Then its down to Texas, Houston and Dallas  
Where my blunts they roll the fattest  
Hate the Cowboys, despise the Rockets  
Like the country girls, cats smokin dope out they  
pockets  
Hit New York like a Giant, the swings are back  
No trust, no sleep, gotta bring my gat  
Lookin for the king of rap, so I can take the crown  
Then I slide to the next town

(Equipto)

It was hot on the beach in Florida  
On the streets got a peach in Georgia  
Across to Boston, then hit the Big Apple  
Shop Bellview, was +Sleepless in Seattle+  
In Vegas cracked and got lucky

Two Backwoods with my boy from Kentucky  
Plane soarin, this New Orleans  
5 in the morning, time for performin  
Montana, bay grammar, Alabama  
First rap show in Havana  
Nothin but bammer, stamp the passport  
At the Colonial, folks in Sacto  
Tokyo, back to Japan  
Got to be as worldwide as I can  
I'm jet laggin, money in the bag  
International with my rappin

(San Quinn)

Lookin for more dough, someone come try me  
At the Pro Bowl, I'm out in Hawaii

Tryin to put thangs in, take thong off girls  
I can get a show with Louis in Idaho  
Puff some real dro' before I go back to Spokane  
And catch my plane to Chicago  
They searchin, dogs sniffin through my cargo  
Never move illegally, from there to Tennessee  
Rollin up a Titan, sippin on some hennessey  
It goes down, mo' brown in Cleveland  
Ass round titties big gimme head this evenin

(Equipto)

From Yamagata to Yokohama  
Suckas sound like Mary sayin no more drama  
Indoja aroma its California  
With females frontin off in Arizona  
Its me and Quincy, off in Cincy  
On a red eye flight and we high and tipsy  
Mississippi and Carolina  
From New Zealand all up through China  
We land in London, its all on a fluke for real  
And we chill in Brazil like Snoop  
Proceed with caution, back to back shows in Austin  
A wild response in Wisconsin  
In Colorado where the groupies sweat us  
Or the land down under with Gucci sweaters  
In Delaware, I couldn't really care  
I'ma set up my shop, from here to there

(San Quinn)

From here to there like yeah, yeah, yeah  
We might go there  
Its Mr. Brook the menace crook

Wit my nigga quipto

From the golden gate to the frozen state  
Like my pops say, we get money  
We might touch down, out there in Australia  
In the land down under  
Get a little paper, from a young bitch  
From out there in Australia ya dig  
Or Philly, I meet ya in the Philippines  
We in the Philippines wit guillotines  
Bitch ya understand, yeah  
Cuttin up the mothafucken razorblade  
You know how we do  
Wit the Nick Peace track, we stay slappin  
And if we in your city right now  
Put your hands in the air say yeah, say yeah, say yeah  
Put your hands in the air and say yeah, say yeah, say

And we out
