My hawaiian melody
Take me back where we met
Sweet hawaiian melody
Find a love I can't forget

My hawaiian melody
How we dance the hula through
Sandy twos bay, blue lagoons
May the symphony for two

Sing to my love
Please make it know
No other arms
Could thrill me so

Play steel guitar
Now we're apart
May every word
Bring in his heart

My hawaiian melody
Take my message cross the sea
Tell my love to wait for me
My hawaiian melody

Play steel guitar
Now we're apart
May every word
Bring in his heart

My hawaiian melody
Take my message cross the sea
Tell my love to wait for me
My hawaiian melody
My hawaiian melody
My hawaiian melody...
