Non Ã" cosÃ¬, your close to me  
And your sadly so tender  
When you say "I surrender"  
Do you mean what you say

Non Ã" cosÃ¬, what will it be  
Will you part from me never  
When you say it forever  
Do you mean what you say

I have waited for love such a long time  
And 'til now it was all wait the run time  
Now for one time  
In my life time let it be true

Make love to me, non Ã" cosÃ¬  
Only save that you want me  
In my heart I'll be praying  
What you saying is true  
If you will love me  
Non Ã" cosÃ¬

I have waited for love such a long time  
And 'til now it was all wait the run time  
Now for one time  
In my life time let it be true

Make love to me, non Ã" cosÃ¬  
Only save that you want me  
In my heart I'll be praying  
What you saying is true  
If you will love me  
Non Ã" cosÃ¬  
(Non Ã" cosÃ¬)
