We danced all night, my love
Beneath the stars above
And now it's time for us to say goodnight

Sogno d'oro, my darling
I wish you golden dreams

One kiss before we part
To carry in your heart
Until I hold you in my arms again

Sogno d'oro, my darling
I wish you golden dreams

While the world is sleeping
I'll wait 'til skies are bright
I pray that you'll be keeping
The memories of tonight

And when the day is new
That's when I'll run to you
I hope and pray you'll dream of me 'til then

Sogno d'oro, my darling
I wish you golden dreams

While the world is sleeping
I'll wait 'til skies are bright
I pray that you'll be keeping
The memories of tonight

And when the day is new
That's when I'll run to you
I hope and pray you'll dream of me 'til then

Sogno d'oro, my darling
I wish you golden dreams

Sogno d'oro, my darling
I wish you golden dreams
(Sogno d'oro
Sogno d'oro, my darling)
