La la la la la-lal la-lã
La la la la la-lal la-lã

Together
A weiss together
Let share all of our love
Now will together
It took such a time
'Til you save you wind mind
But now that your near
You be close to me dear

Forever,
Now and forever
I'll hold you in my arms
And live you never
Just promise that now and ever
Will be together
Never to part
Close to my heart
Never to part
La-lã la-lal la-lã
La la-lã la-lal la-lã

Together
A weiss together
Let share all of our love
Now will together
It took such a time
'Til you save you wind mind
But now that your near
You be close to me dear

Forever,
Now and forever
I'll hold you in my arms
And live you never
Just promise that now and ever...
Will be together...
Never to part...
Close to my heart...

Never to part...
Close to my heart...
