(Ooh-oo baby, ooh-oo baby)  
Will he be there (ooh-oo baby)  
Will he be knockin' at my door (baby)  
Will he be knockin' at my door  
Just like... he always did before (ooh-oo baby)  
Will he be there (ooh-oo)  
I'm so confused and I admit  
I think it mend it plan he sad, I quit  
Just gonna know

Will he be there (ooh-oo baby)  
Why does he keep a spar apart (baby)  
Why does he want to break my heart  
And stop a lot that could be true (ooh-oo baby)  
Will he be there (ooh-oo)  
Oh does he know why need him so  
And there I die if he should ever go  
Just gonna know  
Will he be there  
Just gonna know  
Will he be there  
(Ooh-oo baby)  
(Ooh-oo baby)  
(Ooh-oo baby)  
Will he be there (ooh-oo)  
Oh does he know why need him so  
And there I die if he should ever go  
Just gonna know  
Will he be there (ooh-oo baby)  
Well I just gonna know  
Will he be there (ooh-oo baby)  
Just gonna know  
Will he be there
