Verse 1

I am always dreamin' of you,
But you don't know that it's true,
You don't know me and you'll never do,
'Cause I'm too far away.

Bridge

I wanna live my life with you,
Think of all things we could do,
Fighting and singing, cooking and swinging,
To the blues.

Chorus

And when I dream of you tonight,
I'm gonna get wings and fly,
To you, oh,
To you.

And even if you don't see me,
You know that I am there,
'Cause you feel that someone cares,
For you.

Verse 2

I don't know: Would it feel right?,
But let's start a try tonight,
That's what I'm dreaming,
On and on,
Every day and night.

Bridge

Chorus
