ah aaaah oouuh wouhou
ah aaaah oouuh wouhou

So you see
You've got me back again for more
And it seems
Your song is in my head
This is war
Mystery !!!
how I could feel you breathe me
I was sure
you would keep
Every promise you would keep
Every word

Well,
I try to put your stories in line
But nothing ends up right

[Start chorus]
For every 99 times
You looked me in the eye
You looked me in the eye
And swore you weren't lying
Well, I was so blind
I never saw the signs
I'm getting out tonight
And you're not invited
[End chorus]
ah aaaah oouuh wouhou
ah aaaah oouuh wouhou

It's a shame
That you left me hanging like you did
It was brave
But it was much more foolish
Don't you think, don't you think
Cause you know I won't be satisfied
Until you realize

CHORUS

These things are all so typical
These things are unforgivable
I'm gone and you're invisible now
Don't let me catch you following
Don't ask, cause I'm not offering
You've caused enough of my suffering
oooooh

CHORUS * 2

ah aaaah oouuh wouhou
ah aaaah oouuh wouhou
ah aaaah oouuh wouhou
ah aaaah oouuh wouhou
