Love is simple
It's the simple things
That make me smile
It's clear as crystal
I'm right where I should be

You're one of a kind
I, I know it, you know it
It's all right, love, 'cause

Oh, oh, oh, oh
This is everything I need
Oh, oh, oh, oh
I feel beautiful and free

And oh, oh, I believe
Oh, oh, oh, oh
I'm in love with all I see
Oh, I'm in love with all I see

There's a new moon
Shining on the sea
And in your eyes
I can see truth
Staring back at me

It shines so bright
I, I, I know it, you know it
And it's all right, love, 'cause

Oh, oh, oh, oh
This is everything I need
Oh, oh, oh, oh
I feel beautiful and free

And oh, oh, I believe
Oh, oh, oh, oh
I'm in love with all I see

Oh, oh, oh, oh
This is everything I need
Oh, oh, oh, oh

I feel beautiful and free

And oh, oh, I believe

Oh, oh, oh, oh

I'm in love with all I see

Oh, I'm in love with all I see
