So you set out to find the sky like a rocket ship
And from on this ground you looked so fine
You insisted you weren't drifting
That someday you'll be back to take me with you
But now you've better things to do

And I don't wanna stand here and beg you to fall
'Cause one day you'll see, I was worth it all
And down on my knees, ain't where I need to be
I'm gone, ain't gonna beg you to fall

Maybe one day you'll arrive, like you never left
And find out that while you were learning to fly
Well, you taught me the best damn lesson
I will never waste a second on talking you into loving
me
My breath is far too precious

And I don't wanna stand here and beg you to fall
'Cause one day you'll see, I was worth it all
And down on my knees, ain't where I need to be
I'm gone, ain't gonna beg you to fall

For me if your heart's not in it
But could you make sure you break me gently?
'Cause you're everything I've been living for
Well, not anymore

I don't wanna stand here and beg you to fall
One day you'll see that I'm worth it

I don't wanna stand here and beg you to fall
'Cause one day you'll see, I was worth it all
And down on my knees, ain't where I need to be
I'm gone, ain't gonna beg you to fall
Don't wanna beg you to fall
