This road is anything but simple
Twisted like a riddle I've seen high and I've seen low
So loud, the voices of all my doubts
Telling me to give up, to pack up and leave town

Even so, I had to believe
Impossible means nothing to me, yeah

So can you lift me up,
Turn the ashes into flames
'Cause I have overcome
More than words will ever say
And I've been given hope
That there's a light on up the hall
And that a day will come
When the fight is won
And I think that day has just begun

Somewhere, every body starts there
I'm counting on a small prayer,
Lost in a nightmare
But I'm here, and suddenly it's so clear
The struggle through the long years
It taught me to outrun my fears

Everything worth having, oh
Comes with trials worth withstanding

So can you lift me up,
Turn the ashes into flames

'Cause I have overcome
More than words will ever say
And I've been given hope
That there's a light on up the hall
And that a day will come
When the fight is won
And I think that day has just begun

Oh, lift me up
Oh, lift me up
Oh, lift me up

Lift me up
Lift me up
Oh, Lift me up

Down and out is overrated
And I need to be elevated
Looking up is not enough
No, I would rather rise above

So can you lift me up,
Turn the ashes into flames
'Cause I have overcome
More than words will ever say
And I've been given hope
That there's a light on up the hall
And that a day will come
When the fight is won
And I think that day has just begun

Oh, oh, oh, just begun
Lift me up, yeah, oh, oh, oh, yeah, now
Oh, oh, lift me up
Lift me up
Lift me up
