I stop to catch my breath  
And I stop to catch your eye  
No need to second-guess  
That you've been on my mind

Well, I dream days away but that's okay  
It's like I want to hear a silent sound  
And then hold it in my hand  
But a rose won't blossom from a ground  
Of desert sand, but I like to pretend that

One day I'll turn around  
I'll see your hand reach out  
I'm only fooling myself, yeah, yeah, yeah  
But maybe when you smile  
It means you'd stay awhile  
Just maybe you'd save me now

I'm only fooling myself, yeah, yeah, yeah  
I'm only fooling myself

And now it's etched in stone  
That I can't survive alone  
You have the missing piece  
That I, I need so desperately

Yes, I slip away to a day that'll never come  
It's like a splash of water to my face  
When I suddenly realize that  
That you could never find a place  
For me in your eyes  
And I don't know why I keep thinking

One day I'll turn around  
I'll see your hand reach out  
I'm only fooling myself, yeah, yeah, yeah  
But maybe when you smile  
It means you'd stay awhile  
Maybe you'd save me now

I'm only fooling myself, yeah, yeah, yeah  
I'm only fooling myself

Love in disguise  
I'm lost in your eyes  
Lost in your eyes

One day I'll turn around  
I'll see your hand reach out  
I'm only fooling myself, yeah, yeah, yeah  
But maybe when you smile  
It means you'd stay awhile  
Just maybe you'd save me

One day I'll turn around  
I'll see your hand reach out  
I'm only fooling myself, yeah, yeah, yeah  
But maybe when you smile  
It means you'd stay awhile  
Just maybe you'd save me now

I'm only fooling myself, yeah, yeah, yeah  
I'm only fooling myself  
I'm only fooling myself, yeah, yeah, yeah  
Yeah, save me now
