I want a violet bicycle
Flip flops and sand between my toes
These are the beautiful things in life

So give me that off the shoulder dress
The one that the boys will never forget
I want just a little bit more from life

Maybe I should pack my bags
And fly to Costa Rica
Put a flower in my hair
A dancing senorita

Oh, oh, put a little sunshine in my sky
Oh, oh, what a lovely day to be alive
These eyes are longing to see a sign of summer
To leave my cares in the breeze
Oh, oh, put a little sunshine in my sky

Let's go skinny dip tonight
Under the cotton candy skies
Would you if I asked you?

A campfire and a backyard game
Fireflies and electric lemonade
And I can't keep my eyes off you

We could pack our bags
And fly to Costa Rica
You could swing me low
And call me Rosalita, yeah

Oh, oh, put a little sunshine in my sky
Oh, oh, what a lovely day to be alive
These eyes are longing to see a sign of summer
To leave my cares in the breeze
Oh, oh, put a little sunshine in my sky, yeah

Wouldn't it be nice to know we
Could make a great escape to paradise?
'Cause me I'm cold as ice

If you could wrap the sun around me
And lay me down safe and soundly
I would die

Oh, oh, put a little sunshine in my sky
Oh, oh, what a lovely day to be alive
These eyes are longing to see a sign of summer
Leave my cares in the breeze, oh
Oh, oh, put a little sunshine in my sky
Oh, oh, put a little sunshine in my sky
