I like to think I'm something of a mystery  
I like to play it hard to get me  
I'm usually the one who takes the lead, but you're  
giving me  
A taste of my own medicine  
It's making me feel dizzy

I'm a real tough girl, but you're bringing me down  
I've got my defenses up, but you're finding your way  
around  
And I fought so hard, but it started to feel good, so  
good  
So you can't stop now

How did you turn the tables on me  
Why am I confused, I'm normally the centerpiece  
This knight has stripped me from my armor, and this is  
karma  
Boy I just can't wait to see what's coming around for  
me

I'm a real tough girl, but you're bringing me down  
I've got my defenses up, but you're finding your way  
around  
And I fought so hard, but it started to feel good, so  
good  
So you can't stop

Now I surrender, you're in control  
If you're gonna start me up, then baby, let's go  
Ohhh, oh yeah, oohh

I'm a real tough girl, but you're bringing me down  
I've got my defenses up, but you're, you're finding your  
way around  
And I fought so hard, but it started to feel good, so  
good, oohh, ooh

I'm a real tough girl, but you're bringing me down (oh  
yeah)  
I've got my defenses up, but you're, you're finding your

way around  
And I fought so hard, but it started to feel good, so  
good  
(Ohhhh) So you can't stop now
