I feel so unsure
As I take your hand and lead you to the dancefloor
As the music dies (as the music dies)
Something in your eyes
Calls to mind the silver screen
And all it's sad goodbyes

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
(should have known better, yeah)
And waste a chance that I've been given
So I'm never gonna dance again
The way I danced with you

Time can never mend
The careless whispers of a good friend
To the heart and mind (to the heart and mind)
Ignorance is kind (ignorance is kind)
There's no comfort in the truth
Pain is all you'll find

I'm never gonna dance again
Guilty feet have got no rhythm
Though it's easy to pretend
I know you're not a fool
I should have known better than to cheat a friend
(should have known better, yeah)
And waste a chance that I've been given
So I'm never gonna dance again
The way I danced with you

Tonight, the music seems so loud
I wish that we could lose this crowd
Maybe, it's better this way (this way)
We'd hurt each other with the things we'd want to say
(to say)
We could have been so good together (so good)
We could have lived this dance forever

But now, who's gonna dance with me?
Please stay

I'm never gonna dance again (dance again)
Guilty feet have got no rhythm (baby got no rhythm)
Though it's easy to pretend
I know you're not a fool (I know you're not a fool)
I should have known better than to cheat a friend
(cheat a friend)
And waste a chance that I've been given (chance that
I've been given)
So I'm never gonna dance again
The way I danced with you (the way I danced with you)

I'm never gonna dance again (dance again)
Guilty feet have got no rhythm (baby got no rhythm)
Though it's easy to pretend
I know you're not a fool (I know you're not a fool)
I should have known better than to cheat a friend
(should have known better) (cheat a friend)
And waste a chance that I've been given (chance that
I've been given)
So I'm never gonna dance again
The way I danced with you (the way I danced with you)

Now that you're gone
Now that you're gone
I know that I'm never gonna dance again
Now that you're gone
Was what I did so wrong?
So wrong, that you had to leave me alone?
