Like a photo, like a second thought
Always silent, I just think a lot
I still wonder am I still stuck
In your head, in your head
Like I'm waiting like I strain to feel
I can't understand I wanted you still
I still wonder am I still stuck
In your head, in your head

Are you really gone
Are you moving on
Tell me, tell me, where did we go wrong
Are you really gone
Done singing the song
Will you tell me, where did we go wrong
I can't let go
I can't let go
Now I'm left here chasing echoes

Standing frozen in the memory
What you've taken is still lingering
Every promise, every whisperings
In my head, in my head
In the shadow of my reverie
A distraction to forget the need
Is there truth to what I perceive
In my head, in my head

Are you really gone
Are you moving on
Tell me, tell me, where did we go wrong
Are you really gone
Done singing the song
Will you tell me, where did we go wrong
I can't let go
I can't let go
Now I'm left here chasing echoes

Chasing echoes
Chasing echoes
I can't let go

I can't let go

Like a photo, like a second thought
Always silent, I just think a lot
I still wonder am I still stuck
In your head, in your head

Are you really gone
Are you moving on
Tell me, tell me, where did we go wrong
Are you really gone
Done singing the song
Will you tell me, where did we go wrong

Are you really gone
Are you moving on (where did we go)
Tell me, tell me, where did we go wrong
Are you really gone (are you really gone)
Done singing the song
Will you tell me, where did we go wrong
I can't let go (can't let go)
I can't let go
Now I'm left here chasing echoes
Left here chasing echoes
I'm left here chasing echoes
