Iâ€™ll sit here and watch you  
I'll, Iâ€™ll just sit back and watch you  
Donâ€™t wait for love wonâ€™t wait for you  
Just speak so softly I'll break down

Wonâ€™t you be the one, wonâ€™t you be the one, wonâ€™t  
you be the one  
that I'm waiting for

So I, I just sit back and wait for you  
I, I just sit back and wait for you  
Donâ€™t be no fool when your heart beats

Wonâ€™t you open my arms, wonâ€™t you wake me

Wonâ€™t you be the one, wonâ€™t you be the one, wonâ€™t  
you be the one  
that I'm waiting for, oooh

Oh, wonâ€™t you just keep watching me  
Oh, wonâ€™t you just keep watching me  
Oh, wonâ€™t you just keep watching me

Dadadam, dadadadam  
Dadadam, dadadadam  
Ladadam, ladadadam  
ladam
