I've been trying hard to be somebody else
But no one can entertain that I could be anything else

Don't waste your time on throw away love, seas the day
love
It seems all you can do is give away love, throw away
love

So I've been trying hard to keep hold of my heart, love
is true, they say
I must have been lying to myself anyway
I'm done with trying

I can't help what I am, yes I'm easily swayed
And I can't keep love away, but I don't want to anyway

Don't waste your time on throw away love, seas the day
love
It seems all you can do is give away love, throw away
love

No, don't waste your time on throw away love, seas the
day love
It seems all you can do is give away love, throw away
love

So I'll just have to except that I'm easily bowled over by
you
Though I know that you'll go, so don' throw me a smile
Because you know from the moment you walk in the
door
I'm done for
