Kind friends all gathered 'round, there's something I
would say:

That what brings us together here has blessed us all
today.

Love has made a circle that holds us all inside;
Where strangers are as family, loneliness can't hide.

You must give yourself to love if love is what you're
after;

Open up your hearts to the tears and laughter,
And give yourself to love, give yourself to love.

I've walked these mountains in the rain and learned to
love the wind;

I've been up before the sunrise to watch the day begin.
I always knew I'd find you, though I never did know
how;

Like sunshine on a cloudy day, you stand before me
now.

So give yourself to love if love is what you're after;

Open up your hearts to the tears and laughter,
And give yourself to love, give yourself to love.

Love is born in fire; it's planted like a seed.
Love can't give you everything, but it gives you what
you need.

And love comes when you're ready, love comes when
you're afraid;

It'll be your greatest teacher, the best friend you have
made.

So give yourself to if love is what you're after;
Open up your hearts to the tears and laughter,
And give yourself to love, give yourself to love.

Give yourself to love, if love is what you're after;
Open up your hearts to the tears and laughter,
And give yourself to love, give yourself to love.
