'Cause it's a brand new day (it's a)
So come along with me
Are you going my way (it's a)
It's time for you to see
It's a brand new day (it's a)
A new reality
And everything's okay (it's a)
People come together

Sometimes you get turned around
What looks up comes falling down
Hear the voices in your head
Sometimes you can't even breathe
The feeling drops you to your knees
But it don't matter what they say

'Cause it's a brand new day (it's a)
So come along with me
Are you going my way (it's a)
It's time for you to see
It's a brand new day (it's a)
A new reality
And everything's okay (it's a)
People come together

I know you're tired and you're broke
And you're the punch line to a joke
You keep waiting for the end
And maybe you just got it wrong
Can't you see that you belong
You just need to find your way

'Cause it's a brand new day (it's a)
So come along with me
Are you going my way (it's a)
It's time for you to see
It's a brand new day (it's a)
A new reality
And everything's okay (it's a)
People come together

Don't give up

I know it's hard to see when you are down
You're not alone
You're not the only one
So let it go
'Cause you will always find the answer
And the day has just begun

'Cause it's a brand new day (it's a)
So come along with me
Are you going my way (it's a)
It's time for you to see
It's a brand new day (it's a)
A new reality
And everything's okay (it's a)
People come together

'Cause it's a brand new day (it's a)
So come along with me
Are you going my way (it's a)
It's time for you to see (time for you to see)
It's a brand new day (it's a)
A new reality
And everything's okay (it's a)
People come together

'Cause it's a brand new day (it's a) (people)
So come along with me
Are you going my way (it's a)
It's time for you to see
It's a brand new day (it's a)
A new reality
And everything's okay (it's a)
People come together

'Cause it's a brand new day (it's a)
So come along with me
