I'm lookin' forward not lookin' back
I'm losing time not keepin' track
I'm trying to keep my heart in tact
I'm tryin' to give what I gave back.
I'm just a girl with crazy dreams
I see the sun and everything, I hold onto what I believe
like loving, trusting you and me.

It's good, everything will turn out like it should
I know that I'm gonna get it a little bit right, a little bit
wrong
Still I'm gonna sing my song It's good, so good
Like it should be. Oh, like it should be.

I see the world through brighter eyes
I find the beauty where it hides
I'm gonna keep that light alive
I'm gonna smile at the sky.
I'm just a girl with crazy dreamsthat never end up how
they seem but,

I like that mystery of loving, trusting you and me.

It's good, everything will turn out like it should
I know that I'm gonna get it a little bit right, a little bit
wrong
Still I'm gonna sing my song It's good, so good
Like it should be.
Oh, like it should be.

It's good, everything will turn out like it should
I know that I'm gonna get it a little bit right, a little bit
wrong
Still I'm gonna sing my song.
It's good, everything will turn out like it should
I know that I'm gonna get it a little bit right, a little bit
wrong
Still I'm gonna sing my song,
It's good, so good
Like it should be, yeahhhh.
Oh, like it should be, ohhhh like it should be.
Oh, like it should be.
