The day we laid in the shade
ooo the sweet sweet love we made
in the safety of his arms
i wait for the skies bright stars

i'm still waiting
there under those stars
im waiting
cant stop
thinkin bout the days i wish would last
cant stop
thinkin bout the way time faded fast
and i wont have it any other way
and ooo waiting for yesterday
ooo waiting for yesterday
im waiting

moving on to constant war
blinded by what we had before
all i see is a smiling face
every turn i take
every time and place

im still waiting
everywhere i go
im waiting
cant stop
thinkin bout the days i wish would last
cant stop
thinkin bout the way time faded fast
and i wont have it any other way
and ooo waiting for yesterday
ooo waiting for yesterday
im waiting

im still waiting
ive been waiting so long
im still waiting
everywhere i go
ill be waiting
cant stop
thinkin bout the days i wish would last

cant stop
thinkin bout the way time faded fast
and i wont have it any other way
and ooo waiting for yesterday
ooo waiting for yesterday(ooo waiting)
cant stop
thinkin bout the days i wish would last
cant stop
thinkin bout the way time faded fast(ooo waiting)
and i wont have it any other way(ooo waiting)
and ooo waiting for yesterday
ooo waiting for yesterday
ooo waiting
