How can I just let you walk away?
Just let you leave without a trace?
When I stand here taking every breath.....with you
You're the only one who really knew me at all

So take a look at me now
'cause there's just an empty space
There's nothing left here to remind me
just the memory of your face
So take a look at me now
Cause there's just an empty space
But i wait for you
Is whole I can do
and that's what I've gotta face

Take a look
Cause Im still standing here
But you'll come back to me
Is against all odds
Is the chance I've got to take

Oh take look at me now
