I'm blindfolded on
This carriage ride that they call life.
Keep trying to make it
Through the next turn,
Knuckles white and holdin' tight.
So here I go, taking the curve,
But I know that I'm never alone.
I think of you,
And how you'd never let me go.

I feel connected(connected) protected(protected)
It's like you're sitting right with me
All the time.
You hear me(you hear me) you're near me(you're near
me)
And everything else is gonna be alright.
'Cause nothin' can break this,
Nothin' can break this,
Nothin' can break this tie.
Connected...Oooh... connected inside.

It's not an accident,
The time we spent apart.
But now we're so close,
I can always find you
Right here in my heart.
You've given me somethin' I need,
And I don't ever want it to end.
Because of you,
I know I've found my strength again.

I feel connected(connected) protected(protected)
It's like you're sitting right with me
All the time.
You hear me(you here me) you're near me(you're near
me)

And everything else is gonna be alright.
'Cause nothin' can break this,
Nothin' can break this,
Nothin' can break this tie.
Connected...Ooooh...connected inside.

Everytime that I breathe,
I can feel the energy.
Reachin' out, flowin' through,
You to me and me to you.
wake or dream, walk or stand,
You were everywhere I am.
Seperate souls, unified,
Touching at the speed of light.

Whoa, ah-oh, ah-oh, ah-oh,
Ah-oh, ah-oh, ah-oh, ah-oh yehhhhhhhhhh.....

I feel connected(connected) protected(protected)
It's like
You're sitting right with me
All the time.
You hear me(you hear me) you're near me(you're near
me)
And everything else is gonna be alright.
Connected(connected) protected(protected)
it's like your sittin right
with me all the time
You hear me(you hear me) you're near me(you're near
me)
And everything else is gonna be alright.
'Cause nothin' can break this,
Nothin' can break this,
Nothin' can break this time.
Connected...Ooooh...connected inside
