Why'd I have to go and be a fool again?
Why'd I have to go and make a big thing out of
nothing?
I didn't know what I had 'til you were gone
It was right in front of me all along
Now those days of same old stories
Are feelin' more like faded glories

Had It all
I threw it all aside
Thinkin' there was more there I needed to fine
I had it all baby
'Til you went away
Blue Skies, Sunshine, and Butterflies
Those were the conditions that I left behind
Why did I let it go to waste?
I had it all

Where are all the fireworks I thought I'd seen?
I still haven't found the magic I was lookin' for that
made me leave, Oh no
Traded in my comfort zone
For empty nights of being alone

Had It all
I threw it all aside
Thinkin' there was more there I needed to fine

I had it all baby
'Til you went away
Blue Skies, Sunshine, and Butterflies
Those were the conditions that I left behind
Why did I let it go to waste?
I had it all

Why did I believe that a little voice
Would let me down the path to this bad choice
Why did I listen to the angels
When they sing, oh yeah they sing
Oh yeah

Had It all

I threw it all aside
Thinkin' there was more there I needed to fine
I had it all baby
'Til you went away
Blue Skies, Sunshine, and Butterflies
Those were the conditions that I left behind
Why did I let it go to waste?
I had it all
Why did I let it go to waste?
I had it all

Why'd I have to go and be a fool again?
