Share my life.

Take me for what I am
'cause I'll never change
all my colors for you.

I don't really need to look
very much further
I don't wanna have to go
where you don't follow.
I will hold it back again.
This passion inside.
I can't run from myself - there's nowhere to hide.

Don't make me close one more door.
I don't wanna hurt anymore.
Stay in my arms if you dare.
Or must I imagine you there.
Don't walk away from me, oh.
I have nothing, nothing.

Don't make me close one more door.
I don't wanna hurt anymore.
Stay in my arms if you dare.
Or must I imagine you there.
Don't walk away from me, oh.
Don't walk away from me.
Don't you dare,
don't you dare walk away from me.

I have nothing, nothing, nothing.
If I don't have you
