All the memories I have come on thru
Every corner thinking of you
So I keep on drivin', drivin'
Keep on drivin', down the avenue

Lost in the middle of the night like before
I wont sleep again until I know where you are
So I keep on drivin', drivin'
Keep on drivin', down the avenue

[CHORUS:]
Its a long way home
And I feel undone
How I tried my best, Not to run
So I keep on drivin', keep on, drivin'

Don't try to find me just let me go
I don't even have myself anymore
So I keep on drivin', keep on drivin'

Keep on drivin' down the avenue

Its a long way home
And I feel undone
How I tried my best
Not to run

There comes a time
When hope is lost
But you can still begin again
To stay around
Would cost too much
I am learning

Its a long way home
And I feel undone
How I tried my best
Not to run

Its a long way home
And I feel undone
How I tried my best

Not to run
So I keep on drivin, so I keep on drivin'
