Oh, Oh, Oh, Oh, Oh
Oh, Oh, Oh, Oh, Oh
Oh, Oh, oh, Oh, Oh
Oh, Oh, oh

I think it was a summer time
When I laid eyes on you
I didn't even know your name
Somehow We'd end up in the same room
It never crossed my mind
I never saw you like that
I should've listened to my best friend
She knew we'd be a perfect match

(Chorus)
It's a typical love story
We started out as friends
We met way back when
This is just a typical love story
The boy you never wanted just steals you heart
I never saw it comin' 'til I fell so hard

Oh, Oh, Oh, Oh, Oh
Oh, Oh, Oh, Oh, Oh
Oh, Oh, Oh, Oh, Oh,
Oh,

I always made up some excuse
Sayin' that you weren't my type
Didn't wanna face the truth
Didn't wanna cross that line
'Til one day I saw you
Out the corner of my eye
You were flirting with some girl
And inside I thought I would die

(Chorus)
It's a typical love story
We started out as friends (Friends)
We met way back when (When)
This is just a typical love story
The boy you never wanted just steals you heart

I never saw it comin' 'til I fell so hard

(Bridge)

Can't believe it's happening
When I least expected
My prince under disguise
How you fooled me with those eyes
When I feel like letting go
In your arms is where I know
I enroll
FROM the beginning we always belong

Love, Love Story

Love, Love Story

(Oh)

Love, Love Story

(Love)

Love, Love Story

(Love Story)

Love, Love Story

(This is my)

Love, Love story

(This is my love story)

Love, Love story, Love

(This is my love story)

It's a typical love story

We started out as friends

This is how it ends

This is just a typical love story

The boy you never wanted just steals your heart

I never saw it comin' 'til I fell so hard x2

Oh, Oh, Oh, Oh, Oh,

Oh, Oh, Oh, Oh, Oh,

Oh, Oh, Oh, Oh, Oh,

Oh,
