Ooooooh... Yeaahh...

I am not the person who is singing  
I am the silent one inside  
I am not the one who laughs at people's jokes  
I just pacify their egos  
I am not my house or my car or my songs  
They are only just stops along my way  
I am like winter  
I'm a dark cold female  
With a golden ring of wisdom in my cave

And it is me who is my enemy  
Me who beats me up  
Me who makes the monsters  
Me who strips my confidence

I am carrying my voice  
I am carrying my heart  
I am carrying my rhythm  
I am carrying my prayers  
But you can't kill my spirit  
It's soaring and it's strong  
Like a mountain  
I go on and on  
But when my wings are folded  
The brightly colored moth

Blends into the dirt into the ground

And it is me who is my enemy  
Me who beats me up  
Oh, me who makes some monsters  
Me who strips my confidence

And it's me who's too weak  
And it's me who's too shy  
To ask for the thing I love  
And it's me who's too weak  
And it's me who's too shy  
To ask for the thing I love

I am walking on the bridge  
I am over the water  
And i'm scared as hell  
Cause i know there's something better  
Yes I know there's something better  
Yes I know, yes I know, yes I know

'Cause I love, 'cause I love, 'cause I love  
I love
