I have always dreamed of this
I'll admit that there was something I missed
Wonderin' if it is for real
Every mistake, every wrong turn
Every time I lost my way
Led me to this, moment of bliss, tonight

[CHORUS:]

With you, finally I can break free
With you, I saw a changing in my destiny
Dream come true, it's so funny now that I see
How different life turned out to be

You were always by my side
That you believed in me was enough reason why
I didn't stop, didn't give up
Even if I sometimes lost hope
I did my best, and I am blessed
In life

[CHORUS:]

With you, finally I can break free
With you, I saw a changing in my destiny

Dream come true, it's so funny now that I see
How different life turned to be

Can I get any higher
Tell me, does it get any stronger?
I owe it to you, that I made it through
I never could've done it, without you

[CHORUS:]

With you, I can break free, yeah
With you, I saw a changing in my destiny
Dream come true, it's so funny now that I see
How different life turned out to be

[CHORUS:]

Oh, cause of you, I saw a changing in my destiny
Dream come true, it's so funny now that I see
How different life turned out to be

I've realized that it's my destiny
