Not Ur Girl lyrics

From the first time I saw you  
Well I thought that we'd be cool  
But I overestimated this boy (you boy, you boy)  
Cause we started out as friends (friends)  
And I thought that'd never end  
Even when we turned into more

[Chorus:]

And we moved into the fast lane (fast lane)  
Oh we just collided in the fast lane (fast lane)  
And even though we tried it  
We drive no place  
And there's no going back for us now, no way  
I think it's time we set things straight cuz  
I'm not ur girl (no not ur girl)  
Don't get confused because you see me lookin' at you,  
no baby  
I'm not ur girl (no not ur girl)  
And I'm not leaving with you just because you asked  
me to, no no

I know you want me, but it's just too late  
Don't try and stop me or get in my way

Don't you look at me like that  
It don't matter how you act  
You and me are now in the past  
And when I see you walkin by  
Don't be surprised if I say hi  
But it won't be anymore than just that

[Chorus]

Not moving down the fast lane (fast lane)  
Oh we just collided in the fast lane (fast lane)  
And even though we tried it  
We drive no place  
And there's no going back for us now, no way  
I think it's time we set things straight cuz  
I'm not ur girl (no not ur girl)

Don't get confused because you see me lookin' at you,  
no baby  
I'm not ur girl (no not ur girl)  
And I'm not leaving with you just because you asked  
me to, no no  
I know you want me, but it's just too late  
Don't try and stop me or get in my way  
I know you want me, but it's just too late  
Don't try and stop me or get in my way

You should've thought about the way that you treated  
me  
You should've thought about the things that you said to  
me  
I shoulda walked away the first time I saw your face  
The sun distracted me nearly lost it in the fast lane

I'm not ur girl (no not ur girl)  
Don't get confused because you see me lookin at you,  
no baby  
I'm not ur girl (no not ur girl)  
And I'm not leaving with you just because you asked  
me to, no no

I know you want me, but it's just too late  
Don't try and stop me or get in my way  
I know you want me, but it's just too late  
Don't try and stop me or get in my way
