"O Holy Night"

O holy night, the stars are brightly shining
It is the night of our dear Savior's birth
Long lay the world, in sin and error, pining
'Til He appeared and the Soul felt its worth

A thrill of hope, our weary world rejoices
For yonder breaks a new and glorious morn'

Fall on your knees
Oh, hear the angels' voices
O night divine
O night when Christ was born

O night divine
O night, o night divine

Truly, He taught us to love one another
His law is love and His gospel is peace
Chains shall He break, for the slave is our brother
And in His name all oppression shall cease

Sweet hymns of joy in grateful chorus raise we
Let all within us praise His holy name
Christ is the Lord
O praise His name forever

O night divine
O night when Christ was born
O night divine
O night, o night divine
