I sing it one last time for you
And we really have to cool
You've been the only thing that's right
In all life time

And I can barely look at you
But every single time I dream
I know will make it anyway
Away from here

Chorus:
La ra, la ra
As if you hurt the choice
Even if you cannot hear my voice
I'll be right beside to you
Mhm la ra, la ra
And will run for our lives
I can hardly speak u understand
Why you can't raise your voice to say

Just think I might not see those eyes
Makes it so high not to cry
And as we say I longer vice
I nearly do

Chorus:
La ra, la ra
As if you hurt the choice
Even if you cannot hear my voice
I'll be right beside to you
Aha la ra, la ra
And will run for our lives
I can hardly speak u understand
Why you can't raise your voice to say

Uhh uhhh ohhh

La ra, la ra
As if you hurt the choice
Even if you cannot hear my voice
I'll be right beside to you
