SUDDENLY

-A-

As a river - searches for the sea [9]

I'd been looking for someone like you [8]

Suddenly I know-- it's true[7]

That it's darkest near the dawn - 'cause that is when

I - saw you smiling

-B -

Suddenly I left the lonely [8]

No/longer did I have to... look for love

Dreams/really come to life

I'd opened my heart, the clouds were gone -- and then I

knew

My life ...had changed [5]

-HOOK -

SUDDENLY

I realized

My lonely nights were done

SUDDENLY

I've a life I want to share

And nothing will compare

To spending life with you

Because this seems so right

It is Dawn, no longer night

SUDDENLY

-B2-

There were days, I'd felt so lonely [8]

Nights were long - but that day is through

You're the answer to my prayers

This is real, I finally feel that - SUDDENLY

My dreams came true

-HOOK -

SUDDENLY

I realized

My lonely nights were done

SUDDENLY

I've a life I want to share  
And nothing will compare  
To spending life with you  
Because this seems so right  
It is Dawn, no longer night  
SUDDENLY

BRIDGE

Bridge  
No more days when I feel  
Hope has disappeared  
There's no need to think of hope  
Shining days are here  
Bringing love into my life  
It's happening today  
Love has found a way

-HOOK -

SUDDENLY

I realized  
My lonely nights were done  
SUDDENLY  
I've a life I want to share  
And nothing will compare  
To spending life with you  
Because this seems so right  
It is Dawn, no longer night  
SUDDENLY

-HOOK -

SUDDENLY

I realized  
My lonely nights were done  
SUDDENLY  
I've a life I want to share  
And nothing will compare  
To spending life with you  
Because this seems so right
