My pulse goes to the moon
When I know you're here
My heart runs to another room
When I know you're near
And they say that you don't know, what you got till it's
gone
So I'm holding on to you

How many lives till I get this one right
Till I give up the fight and just
Surrender, surrender
How many days till I love me the way that you love me,
You love me

You say I'm beautiful, but I just don't see
You say one day I'll learn, when will that day be
And they say that you don't know what you got till it's
gone
So I'm holding on to you

How many lives till I get this one right
Till I give up the fight and just
Surrender, surrender
How many days till I love me the way that you love me,
You love me

But this life that I see
That I bleed out before me
Well it seems incomplete
Will I ever see me
The way that you see me, oh to be your eyes
Oh to be your eyes

And how many lives till I get this one right
Till I give up the fight and just
Surrender, surrender
How many lives till I get this one right
Till I give up the fight and just
Surrender, surrender
How many days till I love me the way that you love me,
You love me
You love me

You love me
