Though you don't call anymore  
I sit and wait in vain  
I guess I'll rap on your door  
tap on your window pane  
I wanna tell you, baby  
changes I've been going through, missing you  
'til you come back to me that's what I'm gonna do

Living for you, my dear  
is like living in a world of constant fear  
hear my plea  
I've gotta make you see that our love is dying

Although your phone you ignore  
somehow I must explain  
I'll have to rap on your door, tap on your window pane  
I'm gonna camp by your steps  
until I get through to you  
change your view  
'til you come back to me that's what I'm gonna do
