Who knows when love begins?  
Who knows what makes it start?  
One day it's simply there  
A life inside your heart

It slips into your thoughts  
It infiltrates your soul  
It takes you by surprise  
Then seizes full control

Try to deny it and try to protest  
But love won't let you go  
Once you've been possessed

Love never dies  
Love never falters  
Once it has spoken  
Love is yours

Love never fades  
Love never alters  
Hearts may get broken  
Love endures  
Hearts may get broken  
Love endures

And soon as you submit  
Surrender flesh and bone  
That love takes on a life  
Much bigger than your own  
It uses you at whim

And drives you to despair  
And forces you to feel more joy  
Than you can bear

Love gives you pleasure  
And love brings you pain  
And yet, when both are gone  
Love will still remain

Love never dies

Love never falters  
Once it has spoken  
Love is yours

Love never fades  
Love never alters  
Life may be fleeting

Love never dies  
Love will continue  
Love keeps on beating  
When you're gone

Love never dies  
Once it is in you  
Life may be fleeting  
Love lives on  
Life may be fleeting  
Love lives on
