You never lived to see what you gave to me  
One shining dream of hope and love, life and liberty

With a host of brave, unknown soldiers for your  
company  
You will live forever here in our memory

In fields of sacrifice, heroes paid the price  
Young men who died for old men's wars gone into  
paradise

We are all one great band of brothers  
And one day you'll see we can live together when all  
the world is free  
When all the world is free, when all the world is free

I wish you'd lived to see, all you gave to me  
Your shining dream of hope and love, life and liberty

We are all one great band of brothers  
And one day you'll see we can live together when all  
the world is free
