### **"Somewhere"**

There's a place for us  
Somewhere a place for us  
Peace and quiet and open air  
Wait for us somewhere

There's a time for us  
Someday a time for us  
Time together with time to spare  
Time to learn, time to care

Someday, somewhere  
We'll find a new way of living  
We'll find a way of forgiving  
Somewhere

There's a place for us  
A time and place for us  
Hold my hand and we're halfway there  
Hold my hand and I'll take you there  
Somehow, someday, somewhere
