"What Sweeter Music"

What sweeter music can we bring
Than a carol, for to sing
The birth of this our heavenly King?
Awake the voice! Awake the string!

When children would reach for their stockings
And open the presents they found
The lights on the tree would shine bright in their eyes
Reflecting the love all around

He leaned with his head on the window
Watching evergreen bend in the snow
Remembering Christmas the way it had been
So many seasons ago

Carolers sang as he opened the door
Faces of friends in the crowd
And all of the shadows of lonely reminders
Driven away by the sound

What sweeter music can we bring,
Than a carol for to sing
The birth of this our heavenly King?
The birth of this our heavenly King?
