I'm blind folded on this carriage ride that they call life.  
keep trying to  
Make it through the next turn, knuckles white and  
holdin' tight. so here I  
Go, takin' the curve, and I know that I'm never alone. I  
think of you and  
How you never let me go.

I feel connected (connected), protected (protected),  
it's like you're  
Sitting right with me all the time. you hear me (you hear  
me), you near me  
(You near me), and everything else is gonna be alright.  
'cause nothing can  
Break this, nothing can break this, nothing can break  
this tie.  
Connected... oooh connected inside.  
It's not an accident, the time we spent apart. but now  
we're so close, I  
Can always find you right here in my heart. you've  
given me something I  
Need, and I don't want it to ever end. because of you, I  
know I've found my  
Strength again.

[ Lyrics from: ]

I feel connected (connected), protected (protected),  
it's like you're  
Sitting right with me all the time. you hear me (you hear  
me), you near me  
(You near me), and everything else is gonna be alright.  
'cause nothing can  
Break this, nothing can break this, nothing can break  
this tie.  
Connected... oooh connected inside.

Everytime that I breathe, I can feel the energy. reach'n  
out, flow'n  
Through, you to me and me to you. wake or dream,  
walk or stand, you are  
Everywhere I am. seperate souls, unified, touching at  
the speed of life.

Oh, yeaah, oh woah YEAH.

I feel connected (connected), protected (protected),  
it's like you're  
Sitting right with me all the time. you hear me (you hear  
me), you near me  
(You near me), and everything else is gonna be alright.  
connected  
(Connected), protected (protected), it's like you're  
sitting right with me  
All the time. you hear me, you near me, and everything  
else is gonna be  
Alright.

'Cause nothing can break this, nothing can break this,  
nothing can break  
This tie.

Connected, connected inside, connected, connected  
inside, connected. OH  
YEAH.
