I'm blind folded on this carriage ride that they call life.  
keep trying to make it through the next turn, knuckles  
white and holdin' tight. so here I go, takin' the curve,  
and I know that I'm never alone. I think of you and how  
you never let me go.

I feel connected (connected), protected (protected),  
it's like you're sitting right with me all the time. you  
hear me (you hear me), you near me (you near me),  
and everything else is gonna be alright. 'cause nothing  
can break this, nothing can break this, nothing can  
break this tie. connected... ooooh connected inside.  
It's not an accident, the time we spent apart. but now  
we're so close, I can always find you right here in my  
heart. you've given me something I need, and I don't  
want it to ever end. because of you, I know I've found  
my strength again.

I feel connected (connected), protected (protected),  
it's like you're sitting right with me all the time. you  
hear me (you hear me), you near me (you near me),  
and everything else is gonna be alright. 'cause nothing  
can break this, nothing can break this, nothing can  
break this tie. connected... ooooh connected inside.

Everytime that I breathe, I can feel the energy. reach'n  
out, flow'n through, you to me and me to you. wake or  
dream, walk or stand, you are everywhere I am.  
seperate souls, unified, touching at the speed of life.

Oh, yeaaaaaaaah, oh woah YEAH.

I feel connected (connected), protected (protected),  
it's like you're sitting right with me all the time. you  
hear me (you hear me), you near me (you near me),  
and everything else is gonna be alright. connected  
(connected), protected (protected), it's like you're  
sitting right with me all the time. you hear me, you near  
me, and everything else is gonna be alright.

'Cause nothing can break this, nothing can break this,  
nothing can break this tie.

Connected, connected inside, connected, connected  
inside, connected. OH YEAH.
