Why'd I have to go and be a fool again

Why'd I have to go and make a big thing out of nothing  
I didn't know what I had 'til you were gone  
It was right in front of me all along  
And now those days of "same old story"  
Are feeling more like faded glory

[Chorus]

I had it all, I threw it all aside  
Thinkin' there was more out there I needed to find  
I had it all, baby  
'Til you went away  
Blue skies, sunshine, and butterflies  
Those were the conditions that I left behind  
Why did I let it go to waste  
I had it all

So where are all the fireworks I thought I'd see  
I still haven't found the magic I was lookin' for  
That made me live, oh no  
I traded in my comfort zone  
For empty nights of bein' alone

[Chorus]

I had it all, I threw it all aside  
Thinkin' there was more out there I needed to find  
I had it all, baby  
'Til you went away  
Blue skies, sunshine, and butterflies  
Those were the conditions that I left behind  
Why did I let it go to waste

Why did I believed that little voice that  
Led me down the path to this bad choice  
Why don't I listen to the angels when they sing  
Oh yeah, they sing, oh yeah

[Chorus]

I had it all, I threw it all aside  
Thinkin' there was more out there I needed to find

I had it all, baby  
'Til you went away  
Blue skies, sunshine, and butterflies  
Those were the conditions that I left behind  
Why did I let it go to waste  
I had it all

Why did I let it go to waste  
I had it all

Why'd I have to go and be a fool again...
