### Verse 1

Look all around  
You see the same thing  
In every book, every magazine  
All of them saying we're worlds apart  
Well, maybe we're different but we share the same  
heart

### Hook 1

Ask any woman and she'll tell you what's true  
What we need ain't nothing new

### Chorus

The heart of a woman  
Is just like a man's  
She wants someone who needs her  
Someone who understands  
The heart of a woman needs like his  
Somebody who loves her just like she is  
It's as simple as this

### Verse 1

Look all around  
It's all the same  
So many people so tired of the game  
So dissappointed with love that's gone wrong  
If only we realized the truth all along

### Hook 2

Ask anybody and they'll tell you what's true  
What they need is the same thing as you

### Chorus

The heart of a woman  
Is just like a man's  
She wants someone who needs her  
Someone who understands  
The heart of a woman needs like his  
Somebody who loves her just like she is  
It's as simple as this

Hook 3

It's been the same thing through all of history  
But the heart of a woman is no mystery

Chorus

The heart of a woman  
Is just like a man's  
She wants someone who needs her  
Someone who understands  
The heart of a woman needs like his  
Somebody who loves her just like she is  
It's as simple as this
